M.A.FORD Europe Limited

Our Vision

To be the leading manufacturer of high performance cutting tools and engineered solutions for our customers.

Our Mission

M.A.FORD Europe Limited will endeavour to become our customer's preferred partner for high performance standard and engineering cutting tool solutions with the highest innovation available, in collaboration with carefully chosen technology partners, whilst maintaining a competitive price structure.

We will empower our staff with a customer service emphasis and reward those that help to make the company successful.
