

Where **high performance** is the **standard**

A Gripping Offer from M.A. Ford Europe

▶ Rego-Fix[®] 70th Anniversary Starter package just **£3999**

As an authorised UK Rego-Fix[®] distributor, we have teamed up with them to celebrate their 70th Anniversary and make an unprecedented special offer that combines the ultimate in high performance cutting tools and tool holding solutions.

Perfect for HA & HB shanks

What you get:

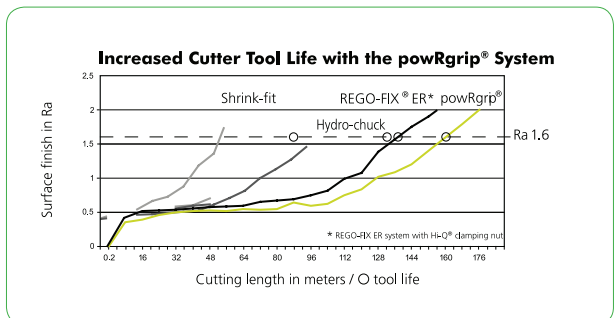

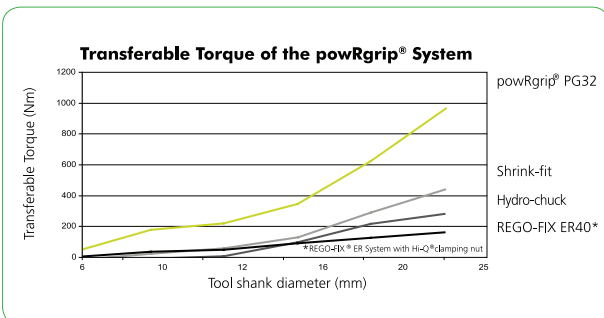

- ▶ A Rego-Fix[®] powRgrip[®] manual hydraulic press including collet clamp holder assembly
- ▶ 5 x holders + 5 collets, see reverse for packages
- ▶ A **Free** VMH End Mill Kit 6 - 12mm for steel and stainless steel machining or
A **Free** TuffCut[®] X-AL 137V End Mill Kit 6 - 12mm for Aluminium machining

The figures speak for themselves:

- Rego-Fix[®] powRgrip[®] tool holding system with secuRgrip[®] option for 100% security against tool pull-out
- ▶ Holders guaranteed for life under normal usage of 20,000 insertion/extraction cycles of collet without deterioration in clamping force
- ▶ $\leq 3\mu\text{m}$ run-out
- ▶ Designed for roughing and finishing operations
- ▶ Anti vibration effect over standard shrink-fit allowing increased tool life and cutting parameters
